RE: Confirmation of SDP Extension
Request, SDPEXT-2009-AR-14522
Immokalee Child Care Center

Dear Sirs:

In your application submitted December 14, 2009 you request an extension of SDP-2008-AR-13329 pursuant to the provisions of Florida State Senate Bill 360. Florida State Senate Bill 360, as passed during the 2009 legislative session and signed by the Governor on June 1, 2009, extends up to two years the expiration date of local government-issued development orders or building permits that have an expiration date of September 1, 2008 through January 1, 2012.

Our records indicate that SDP-2008-AR-13329 was issued an Approval Letter on November 9, 2008. Consistent with this information and the provisions of LDC Section 10.02.03.B.4.b, the current date by which construction must commence is November 9, 2011. The requested Florida State Senate Bill 360 extension for an additional 24-months is hereby granted, and the new date by which construction must commence is November 9, 2013.

Sincerely,

Michael Sawyer, Interim Planning Manager
Department of Zoning & Land Development Review
